

1760PA/80

AC/DC amperometric clamp, 80A

CE

Specifically designed to measure low current leakage or absorption values on vehicles

 270 g

- Range: 1mA-80A AC/DC
- Torch function with white LED
- Backlit LCD display
- Zero setting function
- Hold function
- Auto power off
- Power supply: 2 1.5V AAA-type batteries

Ideal for low leakage values
1mA-80A

High-brightness LED
